Online claims submission

AUDIOLOGY PROVIDER USER GUIDE— ONLINE CLAIMS SUBMISSION

Alberta Blue Cross is pleased to offer online claims submission for health services providers. This convenient service is delivered through an easy-to-use secure website and is available at no cost to health providers across Alberta.

Online submission provides the convenience of direct billing for eligible services for your customers with coverage through Alberta Blue Cross group plans, individual plans and those with coverage through ASEBP. You are assured of prompt payment directly from Alberta Blue Cross, while retaining existing customers and gaining a competitive advantage over providers who may choose not to submit claims online.

When submitting claims online, this service will predetermine the patient's coverage and confirm

- the amount Alberta Blue Cross will pay to your office, and
- the amount you will need to collect from the patient.

Registering for site access

To register for online claims submission, you must complete the Request for Secure Web Site Access web form and the Application for Direct Deposit of Funds form. Details about completing these forms can be accessed at ab.bluecross.ca.

Please mail or fax your completed forms to

Health Provider Services, Alberta Blue Cross
10009 108 Street,
Edmonton, Alberta
T5J 3C5
Fax: 780-498-3544

The Health Provider Services team at Alberta Blue Cross will create your website access based on your completed registration form. To protect your security, a login ID and temporary password will be sent in two separate emails to the email address provided on your registration form. Once you have received both of these emails, you can begin serving your customers through online claims submission.

Getting started online

Please refer to the information in the emails Alberta Blue Cross sends you when your initial registration is approved. These emails will contain your login ID and temporary password. Navigate to the Online Health Provider site at provider.ab.bluecross.ca/health and enter the login ID and password.

You will be asked to agree to the Web Site Policy and Online Billing Agreement, set up your two reminder questions and change your temporary password. This information will be used to verify your identity if you forget your password or require information about your account. Subsequent sign-ins will only require your login ID and password.

Claiming online is quick, easy and secure!

After validating a patient's identity and predetermining results as confirmed by the patient, you simply submit the claim for processing. Within seconds of submission, results are displayed. The patient will be required to pay only the portion not covered under their benefit plan. The transaction is then complete.
