

# MASSAGE THERAPY PROVIDER USER GUIDE Online claims submission

January 2023

provider.ab.bluecross.ca/health

## 

Alberta Blue Cross<sup>®</sup> is pleased to offer online claims submission for health services providers. This convenient service is delivered through an easy-to-use secure website and is available at no cost to health providers across Alberta.

Online submission provides the convenience of direct billing for eligible services for your customers with coverage through Alberta Blue Cross group plans, individual plans and those with coverage through ASEBP. You are assured of prompt payment directly from Alberta Blue Cross, while retaining existing customers and gaining a competitive advantage over providers who may choose not to submit claims online.

When submitting claims online, this service will predetermine the patient's coverage and confirm

- the amount Alberta Blue Cross will pay to your office, and
- · the amount you will need to collect from the patient.

### **Registering for site access**

To register for online claims submission, you must complete the Request for Secure Web Site Access web. Details about completing this form can be accessed at <u>ab.bluecross.ca</u>.

The Provider Agreements and Administration team at Alberta Blue Cross will create your website access based on your completed registration form. To protect your security, a login ID and temporary password will be sent in two separate emails to the email address provided on your registration form. Once you have received both of these emails, you can begin serving your customers through online claims submission.

### **Getting started online**

Please refer to the information in the emails Alberta Blue Cross sends you when your initial registration is approved. These emails will contain your login ID and temporary password. Navigate to the <u>Online Health Provider site</u> and enter the login ID and password.

You will be asked to agree to the Web Site Policy and Online Billing Agreement, update your banking information, set up your two reminder questions and change your temporary password. This information will be used to verify your identity if you forget your password or require information about your account. Subsequent sign-ins will only require your login ID and password.

### Claiming online is quick, easy and secure!

After validating a patient's identity and predetermining results as confirmed by the patient, you simply submit the claim for processing. Within seconds of submission, results are displayed. The patient will be required to pay only the portion not covered under their benefit plan. The transaction is then complete.

A video tutorial of the Online Health Portal is available on our public website at **ab.bluecross.ca**.

### Help

If you have questions about a screen, click on the blue button with a question mark. The help button has answers to questions that are frequently asked about the section.

## **EASY STEPS TO SUBMIT AND PROCESS A CLAIM**

### 1. Enter the patient's information

Navigate to the "Enter claim" menu option and enter the patient's ID number and group number exactly as they appear on their Alberta Blue Cross or ASEBP ID card. Then ask the patient for their date of birth, enter the date and click the "Search" button.

### Note

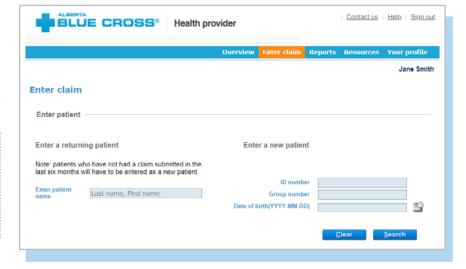

If you're submitting a claim for a returning patient, you can enter their last and first name to populate the ID number, group number and date of birth fields.

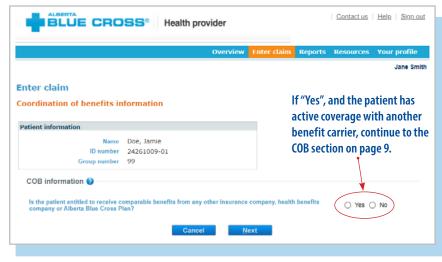

### 2. Verify whether the patient has Coordination of Benefits

Confirm if the patient has other active coverage and if payment has been made by another benefit carrier or provincial plan.

If "No": continue below.

If "Yes": continue to page 8.

### 3. Provider type

If your clinic is registered with multiple provider types and has single sign on, please select the provider type for this report from the drop-down menu.

If your clinic is registered as an individual provider type, the *"Provider of service"* field will be populated automatically.
