How to Complete the Prescription and Request Form for BPAP Funding for Pediatric Clients

This form is for Clients (age less than 18) who request ventilatory support for respiratory insufficiency.

1. Provide Client's name, personal health number and date of birth as they appear on their Alberta Personal Health Card. Provide Client's address, including postal code and the contact number.
2. Provide the name, designation, facility and the contact information of the Respiratory Assessor who completes the request form. The Respiratory Assessor must ensure the information provided to be true and correct.
3. If Client is in the hospital, provide the name of the hospital, the station or unit number and Client's tentative discharge date.
4. Provide alternate Client contact information and the relationship of this person to the Client.
5. Provide current diagnosis.
6. Provide the Client's diagnosis and reason(s) for the BPAP funding request. Attach sleep study with interpretation and any other documents supporting the BPAP request.
7. Provide the data on the BPAP mode and settings for this request.
8. Provide preferred BPAP Specialty Supplier. It shall be based on Client's needs and Client's current relationship with the Specialty Supplier.
9. If oxygen is required with the BPAP, the oxygen Specialty Supplier will be the same as the BPAP Specialty Supplier wherever possible.
10. Provide the name, phone number, fax number and signature of the prescribing physician. No separate BPAP prescription is required if this request form is signed by the prescribing physician.
11. Provide comments if any.
