## SUPPLEMENTARY DENTAL COVERAGE - (AISH AND CHILDREN IN CARE CLIENTS) EFFECTIVE JUNE 3, 2024

Supplementary Dental Coverage is provided to Assured Income for the Severely Handicapped (AISH) recipients and their dependants, and to children in the custody and/or under the guardianship of a director under the Child. Youth and Family Enhancement Act ("CYFEA") or subject to an agreement under section 57.2(1) (enhancement agreement with youth) and 57.3 (support and financial assistance agreement with 18-20 year olds) of the CYFEA.

The Minister will compensate Members for the cost of providing Services to Clients, in accordance with the fees set out in Schedule C.

For the purpose of this schedule "a year" means twelve (12) consecutive months.

Benefits included are subject to the following limitations:
1.1 No payment shall be made for orthodontics for adults 18 years of age or older, except where the approval was received prior to the $18^{\text {th }}$ birthday and treatment has been started prior to termination of eligibility.
1.2 No payment shall be made for orthodontics for children where the total fee involved, including work-up costs, is in excess of $\$ 500.00$ unless the child is under the guardianship of a director under the Child Youth and Family Enhancement Act.
1.3 For children under the guardianship of a director under the Child, Youth and Family Enhancement Act, payment may exceed $\$ 500.00$ where there has been predetermination that the condition is a severely handicapping malocclusion and procedures are recommended by the Alberta Blue Cross Review Committee and approved by the Minister designate.

2 No payment will be made for polishing treatment to a patient prior to full-mouth extraction.

3 Where full mouth extractions are required, no payment will be made for impactions unless the reason for such satisfies the Alberta Blue Cross Review Committee.

4 No payment will be made for crowns for posterior teeth. Crowns for anterior teeth require approval by the Alberta Blue Cross Review Committee.

5 Whenever, as a result of handicapping condition, a patient proves to be an unusually difficult dental challenge, the dentist may submit to the Alberta Blue Cross Review Committee a written recommendation for the appropriate fees.

6 Where a specific treatment procedure involving a tooth or mouth (including orthodontics), requiring multiple appointments is being rendered and termination of eligibility occurs, there shall be a period of thirty (30) days allowed for completion of that specific treatment procedure.

7 No exception requests will be accepted for additional units of scaling, root planing or adjunctive general services.

8 Where a restoration is provided, no payment will be made for a stainless steel crown or prefabricated plastic crown for thirty (30) days.
